

Agricultural Business

Associate in Science Degree (A.S.) with Guided Career Path for Agricultural Business

At a Glance

A Bachelor of Science in Agribusiness is a 4-year degree program that includes all general education requirements and provide specific focus to topics in agricultural business. Some common courses offered are: Agricultural economics, Agribusiness management, and Farm product marketing.

The Statewide Articulation Reporting System (STARS) will provide very specific transfer information to specific majors at each state-funded four-year institution. Once a student chooses a major and a place of transfer, an individualized guide and contract can be created. The STARS website can be accessed from the CACC homepage at www.cacc.edu. You may also access STARS from the CACC Admissions Office. CACC also has designated Transfer Advisors.

NOTE: *The sample Guided Curricular Path below contains all the elements required for degree/certificate completion. However, courses may be offered or taken in other semesters so long as prerequisites are met and courses are available. Additional options may also be available. Courses may be available days, nights, hybrid, and online. Sample paths for part-time attendance may also be available. Please see an advisor. *Students must check with the Senior Institution to determine which courses are required.*
