

## STUDENT HANDBOOK ADDENDUM A

*p.21*

### ***Student Transportation and Liability***

Central Alabama Community College does not generally provide transportation to students to and from classes, course-related field trips, or course-related endeavors. However, students must ride in college approved transportation for off-campus activities when college transportation is provided. Seat belts must be worn by students at all times when riding in college transportation. If the College does provide transportation, Central Alabama Community College shall not be responsible for the safety of students or be liable for any loss of or damage to personal property or any physical injury suffered in traveling to or from or while participating in the respective activity. Students must sign an official Release of Liability Waiver form and submit to the Student Services Office when participating in off-campus activities.
